DVBE SITE SUPPLY

Why DSS

How we work, how to order, and where we deliver

California Certified DVBE · SB (Micro) · SB-PW · #2055806

Why contractors buy from us

One vendor, one invoice
Fence, materials, and cleanup on the same account, with one contact who knows the job.

Fast numbers
A priced quote within one business day, sooner on bid day. We tell you what we can't supply instead of going quiet.

One point of contact
We price it, order it, track the shipment, and chase the paperwork, so you deal with one vendor instead of five.

Paperwork with every delivery
Certificates of compliance, mill certs on steel, and submittal data on equipment, available with every delivery.

Statewide
Based in Rocklin, Placer County, supplying jobs across California.

How ordering works

1. **Send the request**
   Plans, bid item list, takeoff, or a short email with quantities.
2. **Get our number**
   Within one business day, or our questions if something's missing.
3. **Schedule**
   Tell us the install or delivery date; we confirm it in writing.
4. **Adjust as you go**
   Relocations, extra gates, phase cleanups: logged and billed on the next invoice.
5. **Close out**
   Call off-rent with 3 business days' notice. We pull the fence, clean the site, and send the final invoice.

Terms at a glance

- ☐ Fence rent billed in advance every 28 days, net 30. Rent continues until you call off-rent.
- ☐ Setup billed at install, removal at pickup.
- ☐ Materials billed on delivery, net 30.
- ☐ Material pricing held 14 days unless noted; mill and manufacturer increases after that are passed through with documentation.
- ☐ Equipment (HVAC and mechanical) priced to the specified model; lead time and freight confirmed at order.

Where we deliver

All of California, on public and private work, in every Caltrans district.

Statewide supply · Delivered to your job site

Based in Rocklin, Placer County. Tell us where the job is when you ask for a price.

Certified DVBE and Small Business
